FISCAL ANALYSIS

ASSUMPTION

Oversight notes that the property in question has already been conveyed and that this proposal would conditionally reconvey the property for a different use.

	\$0	\$0	\$0
<u>FISCAL IMPACT - Local Government</u>	FY 2003 (10 Mo.)	FY 2004	FY 2005

FISCAL IMPACT - Small Business

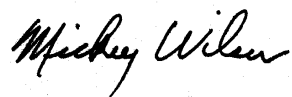

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal would allow the Governor to reconvey a piece of property if that piece of property is conveyed to the state.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. This legislation would not affect Total State Revenue.
